*The mission of
Continent Globe
is to design and
distribute
rehabilitation
products with
the emphasis on
offering the best
quality possible
to be a true
solution in
improving the
quality of life of
people with a
loss of
autonomy.
To reach this
goal, we work in
close
partnership
with therapists,
end-users and
medical
equipment
specialists to
meet the
challenges of
their reality of
everyday life.*

FEATURES	CONTINENT GLOBE BENEFITS
Anodized frame	More durable to scratches
Wheels w/ bearings	Smoother ride and long-term durability / can adjust the speed of the wheels
Walker leg with dual holes	Allows to pivot the wheels inside or out without removing them
Bolted side frame	Easier for maintenance, no need to remove the rivets and it also allows to tighten frame if required
Rubber handgrips	Better comfort as it reduces the vibration in the user's hands
Height options	Available heights from 29" to 41"
Warranty	5 years on frame and 1 year on other parts except Wheels and skis – 90 days
Lead time	24 to 48 hours
